

Room to roam – adrenalin, tranquility, adventure

Your park – your fun

A vast playground of wilderness, tracks and trails, adrenalin activities and the peace of the tranquil outdoors – all this awaits visitors to TECT Park in Upper Pyes Pa, Tauranga.

Whether you love walking, mountain biking or horse riding in the peace of the outdoors or you prefer the adrenalin rush of motorcycling, motorsports or high-wire forest adventure – TECT Park is the place you can explore to your heart's content.

The park offers room to roam – take your dog to the dog park, your mountain bike on specially formed trails, take a walk in nature and glow-worm tunnel – or to ride your horse on some great bridle tracks.

Local clubs have developed their own bases at TECT Park – motorsports, motorcycling, shooting, model aircraft flying, paintball – and even beekeeping. These clubs are always keen for new members, so if you'd like to join them, you'll find all their details at www.tectpark.co.nz
